**Subject:** Public webinar: 1-BP risk evaluation and risk management (public comments)  
**Attachments:** Instructions to Connect to Webex for Public Commenters\_vF.docx

Hello –

You are confirmed to make a public comment at the upcoming public webinar on 1-bromopropane risk evaluation and risk management. Thank you for registering!

Below is the information you will need to log in. This information is also attached.

- The log-in information is the same for people making a public comment and for listen-only (same website, same phone number). Your links are the same as those of “List Only Attendees,” but the instructions differ as to audio connection, for better audio quality when you are speaking.
- You will need to identify yourself when signing in so that the meeting host can unmute your line at the appropriate time.

You will also be getting several emails from Eventbrite with this information. Please feel free to reach out directly to me if there are any questions or problems.

- **Wednesday, September 30, 2020, 10:00**

- **Join event here:**
